Behind on your house payment?

Ignoring the problem won't make the situation any better.

- ***Take* action early — the sooner you take steps to work with your lender, the more options you'll have.**
- ***Contact* your lender as soon as you know you won't be able to make your payment and ask about "workout options".**
- ***Watch* out for scams; not everyone has your best interest at heart.**
- ***Connect* with a LifeWorks HUD-approved housing counselor who can help you learn about all of your options.**

LifeWorks can help you with any financial situation - debt management, budgeting or general financial questions.
